Subject: Reporter seeking information/statement on Gold King spill

I'm a reporter with Law360, a legal newswire based in New York, working on a story about the above spill from the Gold King mine. Please let me know if an EPA representative would be available to comment on progress with the cleanup and dealing with claims, or if there's an official statement available.

Please also let me know if there's call-in information for any upcoming press calls on the spill.

I'm on deadline, so a response at your earliest convenience would be much appreciated. I can be reached at [646-350-1357](tel:646-350-1357) or by return email.

Thank you,

Andrew Westney
